

PATIENT ASSISTANCE PROGRAM APPLICATION

Fax Completed Form To:
1-888-525-2416

The Patient Assistance Program (PAP) is designed to provide Dysport® (abobotulinumtoxinA) at no cost to eligible patients. Patients may be eligible to receive free drug if they are experiencing financial hardship, have no insurance coverage, and received a prescription for an on-label use of Dysport®, as supported by information provided in the Program application. Eligibility does not guarantee approval for participation in the program. The PAP provides Dysport® product only, and does not cover the cost of previously purchased product or medical services.

Instructions: Both the patient and the healthcare provider have to complete the application.

PATIENT REQUIREMENTS

- Complete and sign the Patient Information section, including the Financial Information section.
- If you are seeking financial assistance from the PAP, please fax a copy of proof of total household income. Accepted forms include most recently filed Federal Tax Forms (i.e., Form 1040) including supporting documents (W-2), social security income (SSA 1099), or the completed Income Statement form included at the end of this application.

HEALTHCARE PROVIDER REQUIREMENTS

- Complete and sign the Healthcare Provider Information section.
- Verify that the patient is being prescribed and administered Dysport®.
- Ensure the entire application is complete and signed before sending it to the fax number provided above.

It is important that you and your healthcare provider complete all requested information and sign where indicated. Since incomplete or incorrect applications will delay the application process, please ensure all information provided is correct.

We recommend that you fax the completed form in order to expedite the process. Once the application is received, we will evaluate the patient's eligibility to participate in the PAP. Healthcare providers will be notified upon completion of eligibility review. Please note that program rules are subject to change without notice. For further assistance, please call 1-866-435-5677 from 8:00 AM to 8:00 PM Eastern Time, Monday through Friday.

Sincerely,

The IPSEN Coverage, Access, Reimbursement & Education Support (CARES) program

I understand that I may refuse to sign this form and, if I do so, I/the patient will not be able to participate in the PAP, but it will not affect my/the patient's eligibility to obtain medical treatment, my/the patient's ability to seek payment for this treatment or affect my/the patient's insurance enrollment or eligibility for insurance coverage.
